

Dear colleagues,

Any abstract submission is closed. All abstracts will be published upon registration fee payment. If You are planing to pay registration fee by cash, please inform Organizing Commitee.

For any questions please do not hesitate to contact with us.

Dear colleagues,

The Organizing Committee of the **scientific conference** "Current Topics in Organic Chemistry" are pleased to invite you to Siberia. The Event will be held in Novosibirsk Academgorodok, Russia from 6th to 10th June, 2011

The Conference will feature Plenary and Invited Lectures, Oral Communications and Poster Presentations.

The main topics of Conference will be:

- Structure and reactivity of organic compounds
- Molecular design and synthesis
- Polymers, organic materials and nanomaterials
- Synthesis of biologically active compounds and medicinal chemistry
- Advanced trends in organic synthesis

with special emphasis to Green Chemistry, Renewables and Sustainable Chemistry.

Official language of the Conference will be English. Working languages will be **English** (preferable) and Russian.

Selected communications will be published in scientific journals.

If you have any question please contact us:

Lavrentiev Ave. 9, Novosibirsk, 630090, Russia.
